MIXED MARTIAL ARTS

November 5, 2026

Dear Business Owner,

Flatline Mixed Martial Arts, a school in Bay St. Louis that's been proudly serving students of all ages and skill levels since 2017. As we expanded into a larger facility to meet the growing demand, we are also working toward a goal close to our hearts: making high-quality martial arts training accessible to every young athlete who wants it, regardless of financial situation.

Our Student Scholarship Fund is designed to help underprivileged kids in our community experience the life-changing benefits of Mixed Martial Arts: confidence, discipline, physical fitness, and mental resilience. These are more than just techniques; they're tools for life.

We're currently seeking business sponsors who believe in supporting youth and community growth. Your sponsorship would go directly toward funding scholarships and helping students attend local and regional competitions, representing Bay St. Louis with pride.

As a thank you, we offer various forms of exposure for your business, such as your logo on our team shirts, gym banners, and recognition across our growing social media platforms. Most importantly, you'll be playing an active role in changing lives.

I've attached a list of sponsorship packages for your consideration. Whether you choose to be a one-time supporter or an ongoing community partner, we would be honored to work with you.

Thank you for your time and support. Please feel free to reach out to us through email or text anytime with questions or to set up a quick meeting.

With appreciation,

Flatline Mixed Martial Arts
